# H. ALGEBRA 2

## 2022-2023 Course Syllabus

This is an accelerated course in Algebra which rigorously delves into abstract algebraic theories and applications. This course is designed for the student who has been extremely successful in mathematics and is highly motivated to learn. In addition to the material listed above, Algebra 2 Honors includes greater emphasis on complex numbers, logarithms and exponents.

- 50% Tests  
2 or 3 per quarter
- 35% Quizzes  
between 4 and 6 per quarter
- 15% Homework /  
Classwork  
(FORMATIVE ASSESSMENTS)

## GRADING POLICY

### TESTS (50%) – QUIZZES (35%)

Tests and quizzes are formal assessments that will be graded for accuracy. All assessments will be pre-scheduled and will be administered during class time. No retakes.

### HOMEWORK / CLASSWORK (15%)

Homework and classwork checks are assigned daily and are designed to give extra practice on concepts covered during lessons. These assignments are to be used to confirm that you are staying up-to-date with the class content. Each assignment will be checked based on both accuracy and effort, see *attached rubric*.

## MAKE UP POLICY

*What to do if you are absent...*

- If you need to reschedule an assessment (test/quiz) due to an absence, please email me immediately. Students have 5 school days to make up an missed assessment (during PLT or after-school).
- All notes and assignments are accessible on class website (after the lesson is taught).
- If you are absent, it is in your best interest to remain current with the assignments. Make your best effort to complete the homework and classwork assignments on time.

## CLASS MATERIALS

- Charged Chromebook
- Chromebook Headphones
- Scientific Calculator
- PENCILS & ERASERS - no pen
- 3-Ring Binder *with loose paper*
- Ruler

## AFTER SCHOOL

*Tuesday's by appointment*

After-school hours can be used to make up missed assessments or for extra help.

# CLASSROOM EXPECTATIONS

Lesson notes and practice will be available online ([braytonmath.com](http://braytonmath.com)) if you are absent or need a refresher.

When in class, it is important to bring your school issued chromebook (charged) and **head phones**.

Only use your chromebook when permitted to do so.

No Cell Phones. *Please keep them away and on silet during class.*

**COME PREPARED**  
It is expected that students come to class with the appropriate materials.

Use the restroom at the beginning or the end of the class. When leaving, return as quick as possible in case others are also waiting to leave.

After a quiz or test, please sit quietly. Respect your classmates still working.

You are responsible for your own learning. It is expected that you are fully engaged during the entire class.

**BE ON TIME!** Regular and prompt class attendance is an essential part of the educational experience.

It is expected that ALL students maintain a respectful and positive attitude toward the teacher and classmates.

If you are struggling, **PLEASE** advocate for yourself :) I am here to help!!

Whether it is after-school or during the school day, please come prepared with all math materials.

For the most efficient use of time, I encourage you to make a list of topics you need help with **BEFORE** coming for extra help.
